

SACRED HEART SCHOOL SUMMER READING - 2017

Welcome to Sacred Heart School summer reading program. The new selection of books chosen by our ELA teachers promises to enrich our students reading experience. It is our hope that during the summer months our students will continue to discover the positive rewards of reading.

Each student at Sacred Heart School is required to read over the summer. We hope you will enjoy the required and enrichment selections that each ELA teacher has carefully chosen for her grade level. Summer is an exciting time to read and develop a lifelong interest and love of reading.

Happy Summer Reading!

Entering Kindergarten 2017

Enrichment Reading

There are no required books for students entering Kindergarten 2017. Parents should try to read at least three of these books to their child over the summer.
