

June 16, 2017

Dear Fifth Grader,

Welcome to 5th Grade! I hope you are looking forward to the summer and enjoying some fun and relaxing time with your family and friends! While we all enjoy a break from school in the summer, it is important that you keep your skills in shape so you are ready to jump right into the school year in September. You can keep your Math skills in shape by practicing your facts on **Xtramath**, please see the letter with your class code attached. **I am asking that you log onto Xtramath and practice your facts at least 3 days a week throughout the course of the summer.** Also, you will keep your Reading skills in shape by reading books(the more books, the better)! Attached you will find the list for Reading Olympics for next year, it would be great if you could read some of these titles over the summer! You will be required to read two books and complete one book report over the summer. You will be tested on the other book once we return to school in September.

Book 1 is "From the Mixed up Files of Mrs. Basil E. Frankweiler" by E.L. Konigsburg. Please fill out the attached book report and you will also be required to write a one page description of an alternate ending for the book. These assignments are due on Wednesday, September 6, 2017.

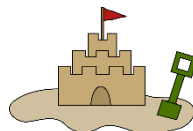

Book 2 is "Out of my Mind" by Sharon Draper, you will be tested on this book at the end of the first week of school in September.

I hope you have a restful, fun, and enjoyable summer, and I can't wait to welcome you to our 5th grade classroom on Tuesday, September 5th!

You can check out my website <http://teacherweb.com/PA/SacredHeartManoa/MrsHaney/apt1.aspx> for updates/news, the School Supplies list will be found here as well. Also, you can email me at khaney@sh-school.org if you have any questions.

Thanks and have a safe summer!

Sincerely,
Mrs. Kelly Haney

Sacred Heart School
